Subject: Extension to school closure Friday 26 June

Dear Parents and Carers,

I am writing to inform you that due to the extension of the red warning for extreme heat into Friday, the school will be closed to students in all year groups except Year 11 on Friday 26 June. The temperatures are expected to reduce to a more comfortable level on Monday and therefore all students are expected to return to school on Monday 29 June.

Work will be provided remotely for students via Google Classroom.

Year 11 students will be in school up to 11am and measures will be taken to reduce the temperature keep the spaces they will be using

The safety and wellbeing of our students and staff remains our priority. Whilst we recognise the disruption this may cause to families, we believe that remaining closed tomorrow is the most responsible course of action given the circumstances.

Thank you for your understanding and continued support.

Yours sincerely

Caroline Whitehead
Principal
