TEACHER OF MATHEMATICS

Main/Upper Pay Scale (Fringe) TLR available for the right candidate

Are you a passionate teacher of Mathematics with a 'can-do' attitude and a desire to share that passion with our fabulous students? Do you want to work in a well-resourced, supportive, dynamic and highly successful team? Can you enthuse students so they are eager to arrive and reluctant to leave your classroom? If so, then this is the job for you!

We are looking for a talented and enthusiastic teacher of Mathematics to join our large successful team. KS4 results are consistently strong and significantly above National Average. Mathematics is currently the most popular subject choice at A Level.

The department is very well resourced with two dedicated computer suites – all classrooms are equipped with interactive whiteboards and visualizer. Every member of staff has a laptop.

Our students deserve nothing but the best and in return for giving 100% we provide support, effective career development, and a wonderfully supportive school community.

Closing date 17 April 2023

We reserve the right to close the vacancy early if sufficient suitable applications are received.
