# Easter Events

Although we think of this time as Easter there are many other historical dates from history.

April 4<sup>th</sup> 1887 the first ever mayor was elected in the U.S.A

Susanna M. Salter

1<sup>st</sup> April 1917 the Royal Air Force came into action and replaced the Royal Flying Corps.

28<sup>th</sup> April 1923 the first ever Wembley Cup final is held (West Ham 0-Bolton 2).

April 21<sup>st</sup> 1926 Princess Elizabeth was born.

May 1<sup>st</sup> 1931 the Empire State Building was completed.

May 20<sup>th</sup>-21<sup>st</sup> 1932 Amelia Earhart was the first woman to fly across the Atlantic.

In March 2000 the London Eye, originally called the Millennium Wheel, opened.

International Female Solo Artist  
**BJÖRK**

International Group  
**TAME IMPALA**

Critics' Choice Award  
**JACK GARRATT**

Global Success  
**ADELE**

**Madeleine Horwood (Year 7)**

# A Short Story

## Staring Through the Fence

### (part 1)

Staring through the fence, the boy wondered if there was any other place on Earth other than the camp. If there was, he did not know of it. The boy had been there all his short 9 year life. Then he stared ferociously at the sky, hoping that it would reveal an answer. It didn't.

All his life he had been woken up by a bucket of cold water at five in the morning and forced to work under the threat of the whip to smash rubble into smaller bits of rubble for a purpose that the boy knew not. At three in the afternoon he was given 10 minutes to eat a half full bowl of gruel for lunch and then carried on working till ten in the evening.

The boy was constantly exhausted and often got whipped for not working fast enough. He would sob gently in the corner, wishing for a better life. But this was the only life he knew.

Grey clad soldiers with fierce looking guns patrolled the perimeter of the small camp while deadly machine guns sat on each corner of a five metre high metal fence. The boy often observed the defences and timetables of the camp in his free time, more from boredom than figuring a way to get out. It was probably that which saved his life. However, his daily routine of smashing rubble was about to change drastically, even though the boy didn't know it...to be continued.

**Sean Mayhew (Year 8)**

# Fashion Trends

The world of clothes offers the ability to clad your exterior in your own unique style. Fashion icons such as Kendall and Kylie Jenner are releasing a brand new clothing line as they are partnering with Topshop. You can get your hands on their exclusive pieces on the Topshop website. As well as having the world of Kendall and Kylie we have our own former fashion designer here at Chalfonts...Mrs Procopi! She definitely gives Kendall and Kylie a run for their money.

**Callie-Marie Treanor (Year 11)**

## Game Review – Tom Clancy's The Division

The Division is a perfect homage to the late Tom Clancy who indulged himself in entertaining both young adults and adults with his series of books and games.

The Division is an action packed, adventurous story set in a post-apocalyptic world. One of its many strengths is that it is an open world on one server where you can interact with people from around the world. This game gives us an insight into Clancy's brilliant imagination and ability to create an alternate world in which gamers can immerse themselves.

The development team have engaged the world with realistic graphics, music and sound in which gamers can feel like they are part of the adventure!

**Chris Davis (Year 11)**

# Sports Relief

Along with mum, Katie, her brother Daniela and dog Molly took part in the 3 miles at Wycombe. Katie was proud to earn her medal. As a team (including my 5km (200 length) swim), we raised over £500.

## Interview with Mark McGuinness

Mark McGuinness is an England and Arsenal centre back. He is fantastic at football and that is why he is where he is now, playing for one of the best teams.

He said that his height has helped him a lot playing centre back because you need to be tall to be in the opponents' box scoring headers. What also can sometimes come with height is strength.

Every good football team wants a big strong centre back in defence to clear the ball from the danger zone quickly.

Mark also said that his pace and agility help as well. When he gets the ball in defence he can just run down the middle of the field, play a long pass through to the winger, who crosses it in, marks, heads it and GOAL!!!!!!

**Charlie Woolcott and Ben White (Year 7)**

# Sports Tour 2016 – Barcelona

B	F	O	O	T	B	A	L	L
I	A	O	P	J	T	N	T	D

In the last week of Easter 30 students from both Year 9 and Year 10 are fortunate enough to go to Barcelona. We will be going to places such as the Nou Camp and a theme park. Both years will be participating in either Netball (Girls) or Football (Boys). We all hope that it will be an exciting trip.
