

Task Five-Comprehension

Find a non-fiction piece of writing. This could be a newspaper article or a journal or something relevant to one of the subjects you are studying. Read it and complete the following:

1. Identify any vocabulary you do not know the meaning of. Look up and record the meaning of the word then write a sentence of your own using this word.
2. Summarise the main points of the piece of writing.
3. Do you agree with what the writer is saying, and/or how do the ideas in the article link to your learning?
