Subject	Independent Learning Tasks	Completed?
Art	Visit a gallery/exhibition. Document the experience in your sketchbook completing these tasks: Title your page with the gallery/exhibition name in the font used by the gallery/exhibition. Choose a minimum of three pieces of art work you have seen there. Complete coloured and/or tonal detail (small section) of each of the three pieces of work. Say who made it, what's it called and when was it made. Say why you chose these particular pieces of work. What do you think of them? Compare and contrast the three. Add postcards and photographs to your pages that you have gathered from your experience.	
	Complete an observational drawing of your hands holding an object that relates to your current project in art. Use at least two different media. Work from direct observation or from your own photographs.	
	Research Hannah Hock's collages. They are full of political messages. Create your own collage using newspapers and images that together can tell your own story about an issue that you feel strongly about. Now take your own photographs that could then be placed together to make a Hannah Hock inspired piece of work. Use photoshop to make a digital collage. You could also draw/paint what you have made.
