Marking Code

What your teacher's marking means.

- CL- mistake with capital letter
- CE- calculation error
- EV- provide evidence
- EXP- expression
- FR- fragment
- GR- grammatical error
- H- handwriting is unclear
- IR- irrelevant information
- NP- new paragraph needed
- P- punctuation error
- S- simplify
- SP- spelling mistake
- U- units missing
- ^- something is missing

The marking code should be followed across the college to ensure consistency. Literacy errors should be identified by the teacher (or students if the work is peer or self-assessed) and the student should make the necessary corrections.
