

APPRENTICESHIP OPPORTUNITIES

with the world's leading manufacturer of ejection seats based in Denham, Middlesex

Working at Martin-Baker is a unique experience, the company is a world leader in the manufacture of ejection and crashworthy seats and related safety systems. To continue to hold our leading position in the world market and be at the forefront of new developments we need the very best people at all levels in the company.

We have a number of Apprentice vacancies whereby successful candidates will join our established apprenticeship scheme combining the opportunity to study for a level 3 Diploma in Mechanical Engineering while gaining practical hands-on training and experience in our Machine Shop, Assembly, Environmental Test & Engineering Departments

Applicants should have an interest in engineering, have practical problem solving skills and have or expect to achieve 5 GCSE's (A-C and/or 9-4) including Maths, English and a Science/Technology-related subject.

If you would be interested in the opportunity to grow your skills and start a career in an established company that values technical excellence then please follow the URL to apply: <http://www.martin-baker.com/about/careers/apprenticeships>

Please note the closing date is the middle of March and there will be an assessment centre interview process to follow.

If you have any queries please contact the Human Resources department on 01895 836587 or email recruitment@martin-baker.co.uk
