

Wipro Degree Apprenticeship.

Wipro are currently recruiting for their degree apprenticeship programme as part of their flagship strategic talent programme (Ascent) :

What we offer:

The Degree Apprenticeship is a 4-year programme. The starting salary is £17,000. The entry requirement is 96 UCAS points (CCC - MMM) from 3 A Levels (including IT or Computer Science) or BTEC IT or Computer Science. The learners attend Sheffield Hallam University on block release and hotel accommodation is paid for by Wipro.

We hire apprentices for technical roles such as Digital Engineering, Digital Testing, Business Analysis, Technical Administration, Business Intelligence, Cyber Security, Cognitive Computing, Internet of Things and Blockchain Engineering.

Our apprentices joining our Degree Apprenticeship:

- Gain a permanent full-time role within Wipro
 - Follow an alternative path into the technology industry via our 4-year path to Earn while you Learn!
 - Study (20%) for a University degree – a debt-free start to your career (Wipro pays all your tuition fees). Distance learning, work based study and study days. Initial 12 week intensive training at university and then go back to work and start on client projects.
 - Exciting and challenging work including on-the-job learning (80%)
 - Awarded a BSc (Honours) in Digital & Technology Solutions degree with Sheffield Hallam University.
 - The aim of the course is to provide industry ready employees in four roles, namely
 - Cyber Security Analyst
 - IT Consultant
 - Network Engineer
 - Software Engineer
- (IBM, Lloyds and John Lewis all use this course too but in a separate group)

Personal qualities:

Looking for self starter, can do, analytical, great listener, willing to travel, interest in IT, open to feedback and continuous improvement.

23 students joined the Digital Degree Apprenticeship in 2017. Recruiting 50 for 2018.
