

5th January 2021

Dear parent/guardian

Securing a place in The Chalfonts 6th Form for 2020/21

As mentioned at the virtual 6th Form Open Evening in November, and by Mr Howard in the Year 11 virtual assembly of January 5th, **internal** students do not need to complete an application form for The Chalfonts 6th Form. All Year 11 students, irrespective of their future intentions will receive a progression interview from a senior member of staff between February half-term and Easter (dates to be confirmed in light of Covid-19 restrictions). In that interview the member of staff will have all the most up to date performance data on your son/daughter and they will discuss post-16 options based on that data. Offers for 6th Form places are then made as a result of these interviews. When we have a clearer picture in terms of a precise date for a return for schools we will update the information regarding progression interviews.

Kind regards

Martyn Way
Leader for 6th Form
