TEACHER OF FOOD TECHNOLOGY

MPS/UPS Fringe

Are you a passionate teacher of Food Technology with a 'can-do' attitude and a desire to share that passion with our fabulous students? Do you want to work in a well-resourced, supportive, dynamic and highly successful team?

Can you enthuse students so they are eager to arrive and reluctant to leave your classroom? If so, then this is the job for you!

We are looking to appoint an innovative, dynamic and highly motivated colleague to join our Technology department, specialising in Food.

The Technology department is a thriving and supportive team, with a range of experience. Classrooms are well-resourced with the full-range of technical equipment and storage spaces. Throughout the year, the department run a variety of engaging competitions, such as our Young Chef Competition. Our events are well-received by students and offer a fantastic opportunity to immerse yourself in the extra-curricular life of our school.

Our students deserve nothing but the best and in return for giving 100% we provide support, effective career development, and a wonderfully supportive school community.
