innovative, caring and aspirational learning community for all!

TEACHER OF ENGINEERING (Fringe) Permanent

We are looking for an exceptional teacher of engineering ideally with skills in electronics, control or CAD/CAM with the potential to lead our KS4 engineering qualifications. The successful candidate will have the ability to interpret course specifications and translate these into relevant and engaging lessons. The demonstration of strong classroom management and excellent organisational and ICT skills are essential. Experience in teaching vocational engineering qualifications would be an advantage, but not essential.

This is a great opportunity to use your experiences and skills, and our well-equipped workshop, to be part of a team that aims to inspire a new generation of engineers. Interest in Engineering is strong amongst pupils and it is a popular choice at GCSE. The department has had good investment over the last few years and is well equipped with both modern and traditional machinery including a 3D printer, laser cutter and other CNC machines.

Opportunities will also be given to develop and teach other specialisms such as re design and technology, with regular access to CPD.

Our students deserve nothing but the best and in return for giving 100% we provide support, effective career development, and a wonderfully supportive school community.

All enquires please contact - Mrs Emma Beck, The Chalfonts Community College,
Narcot Lane, Chalfont St Peter, Bucks SL9 8TP

Tel: 01753 882032 e-mail: emmabeck@chalfonts.org

The College is committed to safeguarding and promoting the welfare of
Children and expects all staff to share this commitment. A criminal record
check via the DBS will be undertaken for the successful applicant.

Closing date: Friday 18th May 2018
Interviews will be upon application
