*"Success is
an Attitude"*

Principal: Russell Denial

"The Chalfonts Community College is a Good and Improving School." Ofsted June 2017

Join an outstanding hard-working team totally committed to an innovative, caring and aspirational learning community for all!

Required for January 2019 (or sooner)

TEACHER OF SCIENCE

CPS (Fringe) Full time, Permanent

Are you a passionate teacher of Science with a 'can-do' attitude and a desire to share that passion with our fabulous students? Do you want to work in a specialist, supportive, dynamic and highly successful team? Can you enthuse students so they are eager to arrive and reluctant to leave your classroom? If so, then this is the job for you!

We are looking for a talented and enthusiastic teacher of Science to join our large successful team. All GCSE students are taught by specialism, even those completing the combined science course, and over a third of our students choose to take the triple science courses. Historically our triple science students have achieved better results than 'all schools'. Chemistry and Physics are offered at A Level and post-16 teaching may be available for a suitably qualified candidate.

Our students deserve nothing but the best and in return for giving 100% we provide support, effective career development, and a wonderfully supportive school community.

All enquires please contact - Mrs Emma Beck, The Chalfonts Community College,
Narcot Lane, Chalfont St Peter, Bucks SL9 8TP

The College is committed to safeguarding and promoting the welfare of Children and expects all staff to share this commitment. A criminal record check via the DBS will be undertaken for the successful applicant.
