### Recognition & Achievements

At Hungry Caterpillars we believe that our team deserves to be recognised for the amazing work they do.

Each year we enter national industry awards - such as the NMT and Nursery World Awards. In 2020 we had 5 finalists!

We also host our own Superstar Awards Day - with 15+ categories celebrating both individual and team achievements.

But in 2020, our awards was held virtually. Each nursery celebrated the awards day on site and tuned in to watch the live stream from HQ.

We look forward to celebrating your achievements at our 2021 awards day - we even have a dedicated 'Newcomer of the Year' category.

Achievements are also celebrated at a nursery level - with an employee of the month at each site and lots MORE!

### Newcomer of the Year - 2020

I enjoy working for Hungry Caterpillars because they have helped me to find my passion for childcare again. In the short period of time that I have been working with the company, I have been given fantastic opportunities to grow and progress in my career.

My highlight whilst working with Hungry Caterpillars has to be the fantastic support that is given by the managers to all members of the team. It's nice to work somewhere where you always feel part of the team and supported.
