

Register of Business and Pecuniary Interests

Academic Year 2025–2026

This Register of Business and Pecuniary Interests is maintained in accordance with the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013, the School Finance (England) Regulations 2012, and Department for Education statutory guidance.

The register ensures transparency and identifies any actual or potential conflicts of interest. All governors, members, and the Principal are required to declare business, financial, or personal interests, including roles in other educational institutions and relationships with school staff or suppliers. A declaration is required even where there are no interests to declare.

This register is published on the school website in a readily accessible format in line with DfE requirements.
