Summer open days

13 June 2026 – Hemel Hempstead campus (9:30am–12:30pm)

20 June 2026 – Watford campus (9:30am–1:00pm)

Apprenticeships Information

Apprenticeship Levels Explained

Apprenticeship levels in the UK (Levels 2-7) define the qualification depth, ranging from GCSE equivalent to master's degrees, requiring 1-6 years to complete. Key types include Intermediate (Level 2), Advanced (Level 3), Higher (Levels 4-5), and Degree (Levels 6-7), allowing for progression from entry-level to professional expertise while earning a wage.

Apprenticeship Level Comparison Table

Level	Name	Equivalent	Duration	Suitable For
2	Intermediate	GCSE	12-18 months	Beginners, career starters
3	Advanced	A-Levels	18-24 months	School leavers, early career
4	Higher	1st year of university	18-30 months	Technicians, specialists
5	Higher	Foundation Degree / HND	2-3 years	Supervisors, specialists
6	Degree	Bachelor's Degree	3-4 years	Professional-level roles
7	Degree (Master's)	Master's Degree	2-5 years	Senior leadership, regulated careers

Useful Websites for Apprenticeships

Here are some useful websites to use when looking for an apprenticeship.

Apprenticeships Alphabet

A - ACCOUNTANCY & FINANCE

Accounting and finance: more than one route

Accountancy isn't one-size-fits-all. It offers a wide range of roles, progression opportunities, and ways to build a career over time.

We support students who are:

- thinking about an apprenticeship
- considering university, including a BSc route linked to ACCA
- looking for a more gradual way to build confidence and experience before taking their next step

Our pathway video may be helpful for students exploring their options:

[Watch video](#)

Think Ahead

ARMY

Being a Soldier is just the start. From day one, you'll have the chance to build valuable skills, gain recognised qualifications and learn a trade that can shape your future.

With a wide range of roles across seven career paths – Combat, Logistics and Support, Engineering, Medical, Intelligence and Communications, Music, and HR and Finance – there's a place where your interests and strengths can fit.

You can choose from more than 40 apprenticeship programmes, from Level 2 to Level 4. Your apprenticeship is matched to your role, so you'll earn, learn and gain qualifications while doing a job that matters.

G - GUIDES

To support schools during National Apprenticeship Week, we're offering a limited-time licence to The Parents' Guide to Apprenticeships. You'll be able to share this specialist guide with your parents on your website (or any other way that works for you).

The guide is written specifically for parents and helps to:

- explain how apprenticeships work in practice
- clarify the different levels and progression routes
- compare apprenticeships and university pathways
- support informed, balanced conversations at home

H - HARINGTONS HAIRDRESSING

Hairdressing Apprentice positions available from September in our Marlow, Amersham and Beaconsfield salons.

These roles are 31.5 hours per week, with a starting first-year salary of £13,104 per annum.

We are passionate about supporting young people into the hairdressing industry and providing clear career pathways through hands-on training, education and mentoring within our salon teams.

We would be delighted to visit your school to speak with students about what a career in hairdressing looks like, explain how apprenticeships work, and share the opportunities available within our salons. We would also love to be involved in any upcoming careers days you may be hosting.

If this is something of interest, please do let me know and we can arrange a suitable time to visit or provide further information for your students.

The Biggest Young Professionals Event Ever – Secure Your Place Now! Young Professionals Summer Conference in London, Euston – Meet 20+ Global Employers

Young Professionals are incredibly excited to invite you to the Young Professionals Summer Conference in London at Friends House, based in Euston, London—our biggest and most ambitious event to date. Taking place on Saturday, 18th July, 9am - 1pm this is your chance to join us and meet some of the most prestigious employers in business, banking, finance, law, engineering, and technology, all in one place. As it's taking place on the weekend, no school, college or university time will need to be missed, giving you the ultimate flexibility to attend!

This event is designed for ambitious students who want to connect directly with top employers, gain insider knowledge from industry leaders, and set themselves up for career success. With a packed schedule of keynote speeches, interactive workshops, and networking opportunities, this is an unparalleled chance to gain a competitive edge in your chosen industry.

Dan Miller, our Founder and CEO and this year's contestant on the BBC's The Apprentice, will play a big part in the day and share his journey in founding the YP brand!

All students who attend will get a professional LinkedIn headshot as well as a digital PDF link packed with CV templates, how to start a business, top tips on applying to corporate roles, and lots of other useful content.

Event Details

Date: Saturday 18th July

Location: Friends House, London, Euston (right opposite Euston Train Station)

Time: 9am - 1pm

Who can attend? All students at school/university

Meet Global Employers Looking for Future Talent

This year's event will feature representatives from some of the biggest names in business, banking, finance, law, engineering, and technology. Some of the employers attending include: Goldman Sachs, Lloyds Banking Group, KPMG, Grant Thornton, UBS, Linklaters, Farrer & Co, A&O Shearman, Charles Russell Speechlys and many, many more still to be announced.

Kick start their future in Optometry

At Specsavers, optometry is about much more than glasses. It's a chance to change lives, work with cutting edge technology, and diagnose eye health conditions. It's also a long term medical career that can lead to owning your own store and becoming a Specsavers partner.

Sounds good, right?

Introducing the Bright Stars Scholarship

An exclusive university scholarship for future optometry students, offering £10,000 towards university costs, spread over:

- Four years (England, Wales and NI)
- Five Years (Scotland)

[Learn more!](#)

More than just a scholarship

Bright Stars students will:

- Get paid part time work experience in a Specsavers practice
- Take part in networking and community events
- Receive protected clinical time
- Benefit from ongoing mentorship and support from store colleagues
