

Buckinghamshire Healthcare NHS Trust is pleased to be able to offer a work shadow scheme for 2018/2019.

The work shadow scheme offers a 1 or 2 days shadowing a medical or healthcare professional. Students will observe a member of staff in their role to understand how they do their job and what it involves.

To apply students must meet the following criteria:

- Students must be studying AS/A level or equivalent and considering a career in medicine or a healthcare Profession
- Priority is given to students who live or go to school in Buckinghamshire
- Students must be over 17yrs old to take up a placement (Students of 16yrs can apply if they will be 17 before 31 August 2018, although they will only be offered a placement once they have turned 17)
- Students must be available when the placements are offered. Due to high demand we will not be able to defer placements to suit student availability unless they are taking exams. We therefore recommend students obtain permission from their school before they apply so that they can attend during term time.
- All students must attend an induction. 1st November Wycombe Hospital 9am to 11.30am & 13 November Stoke Mandeville Hospital 2pm to 3.30pm

Applications will be available from the 1st October 2018 - 31st October 2018.

Please advise students to email bht.services.voluntary@nhs.net from 1st October 2018.

All completed applications must be emailed back in word format only & returned by the 31st October 2018.
