

Year 11 – General Revision Session and Coursework Catch-Up

A number of subjects are running revision sessions and catch-up sessions for students to improve/complete coursework. These are outlined in the timetable below. Clashes are unfortunately unavoidable, therefore students will need to be selective and prioritise the sessions they attend.

A number of departments are also running 'targeted' intervention. These sessions are by invite only. If a student has been identified as needing more specific/specialised intervention a letter will have been sent to you, inviting your son/daughter to attend.
