

Reviews of the Green Park visit

“Our day at Green Park” by **Lydia Alty** and **Callum Bradbury**, year 10

On 17th July 2019, I went to Green park, in Aston Clinton. It was an amazing trip, and I really enjoyed it. We did 2 activities, archery and trebuchet. My favourite activity was Archery as it was something I have never done before. My friends and I really enjoyed building a catapult and had a lot of fun launching it here, there and everywhere! I think that going to Green Park has really boosted my self-confidence and made me realise that you can do anything if you put your mind to it. The staff were really friendly and helpful and the activities were just phenomenal. I am so grateful for my invite to Green Park and would like to thank everybody who went with us and the amazing people that organised it; you made it so incredible for me. I had a fantastic time. **Lydia Alty**

I enjoyed building the slingshot/trebuchet with my team. I liked this activity the most because the instructor was very impressed with my knot tying. Another reason is that I was able to work with my team and win one part of the competition. We won on height once, with Daniel shooting the catapult. I was able to accurately shoot the ball in the catapult so the instructor could catch the ball.

Overall, the experience was very fun and I would like to do it next year as a reward trip.

Callum Bradbury
