

Adobe Creative Cloud

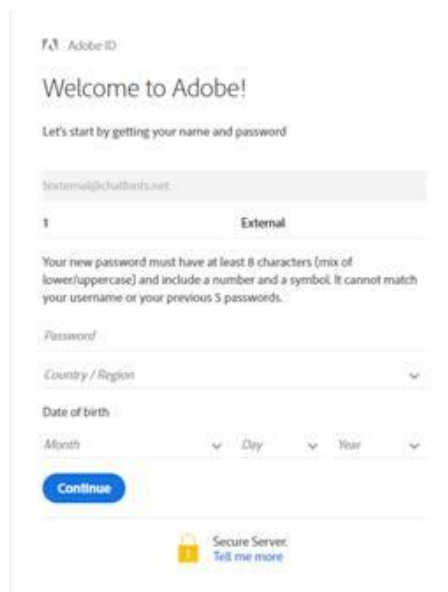

1. Go to <https://creativecloud.adobe.com/>
2. Sign in with your Google school account (e.g. student@chalfonts.net)

Do not click the 'Sign in with Google' button.

You will get a message telling you that additional account details are required.

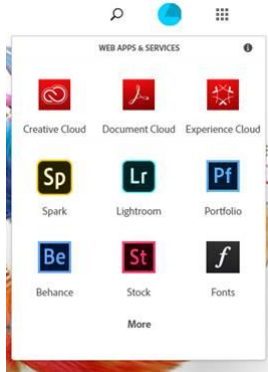

3. You will be sent an email from Adobe. Load up your chalfonts.net Gmail account <https://mail.google.com/mail>
4. Click on the email link and reset your password for Adobe

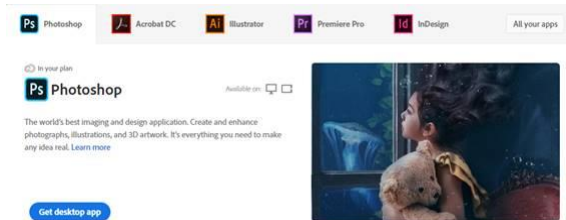

A screenshot of the Adobe ID creation form. The header says "Adobe ID" and "Welcome to Adobe!". Below that is the instruction "Let's start by getting your name and password". The form contains several fields: a text input field with "textmail@chalfonts.net" entered; a dropdown menu with "External" selected; a text input field for a password with a note: "Your new password must have at least 8 characters (mix of lower/uppercase) and include a number and a symbol. It cannot match your username or your previous 5 passwords."; a dropdown menu for "Country / Region"; a "Date of birth" section with dropdown menus for "Month", "Day", and "Year"; and a blue "Continue" button. At the bottom, there is a "Secure Server" icon and a link "Tell me more".

5. Enter your name, a password to use with Adobe, and the other required details
6. Agree to the Terms of Use and click continue.

7. Select continue to 'United Kingdom'
8. Sign In with your newly created adobe credentials (top right corner)
9. Click on the apps button (square grid at the top right corner) and then select 'Creative Cloud'

10. Click on 'All your apps' and then download the app you require to your desktop.

Enjoy!
