**Year 7** this term!

**£1,378.20** raised for  
**'UNICEF' and 'Red Cross'**  
for Ukraine... so far.

**35,117** merits given out **in  
total** this term!

## World Book Day - Update

This year it was the 25th anniversary of **World Book Day** in the UK and Ireland and at CCC we participated doing a number of things to commemorate this fantastic event. Some of the events included: a quiz during tutor time, an Art competition where students created a piece of artwork to represent either their favourite character or scene from a book that they had read. Another highlight of the day is that the staff dressed up as a character from one of their favourite books. We had a fantastic cake made and donated for us by Mrs Fawcett for the special anniversary, which was delicious. Below are the winners of the fabulous Art Competition;

1. **Nicola** in Year 9 for *"Alice in Wonderland"*
2. **Hanna** and **Jess** in Year 10 for *"Queens Gambit"*
3. **Emma** in Year 10 for *"Jungle Book"*

Well done!

## Harry Potter and Careers

On Friday, 25th March, we were able to deliver the final day of our Harry Potter week, which was so rudely cut short by storm Eunice! There were lots of activities taking place in school, and how could we miss an opportunity to talk about **'Careers in the film industry'**?

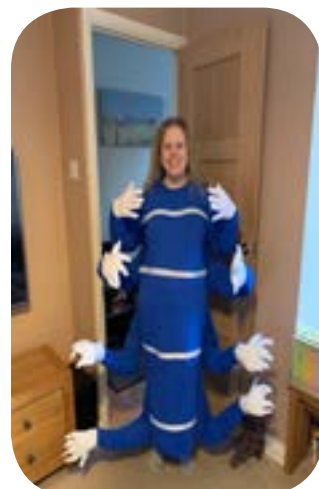

On this Friday, students were invited into the Hogwarts Library to meet with Wendy Laybourn, who very kindly gave up her time to come into school. Wendy has worked in and around the British Film Industry for more than forty years as part of the film services and facilities sector, supplying crew and equipment to all the departments involved in the production process. She now focuses on mentoring young people who are looking to make their way into this amazing but extremely demanding industry. Wendy has written several Kindle books on the subject as well as the Network Nine News series of booklets.

This was a lunchtime activity and the students were all given the script for the first scene of **'The Philosopher's Stone'**. At the point of introduction to new characters, or set/lighting changes, there was a discussion about the various roles required to make these possible. It was such a useful session to understand more about the work involved in producing a film.

# World Book Day!

# Harry Potter Day!

## Harry Potter Activities

For our Harry Potter day on the 25th of March we loaned out most of the J.K. Rowling books in the LRC, thank you for the very generation donatations of our parents/carers. In addition we had themed games including **Dobble**, **Uno**, and **Scrabble**. Students also enjoyed Harry word searches, crosswords and quizzes. Below the Year 7 students had fun dressing up and are pictured enjoying the games. The winning house was **'Ravenclaw'** and they will be going to **Harry Potter World** as a prize!

## Benefits of Reading

In the LRC during this term we have really enjoyed running reading workshops for Year 7 and 8 to remind our students the benefits of reading daily. Listed below are some of the reasons the students came up with as to the importance of reading 20 minutes per day.

*Reading is exercise for the brain.*

*Improves your focus and concentration.*

*Increases your vocabulary.*

*Strengthen your writing skills.*

*Expands your knowledge.*

*Gives you a mood boost.*

*Stronger analytical thinking skills.*

*Reading regularly will increase your memory.*

*Reduces stress, worry or tension.*

*If you read a book before you go to bed it helps you relax and go to sleep.*

*The most important benefit is FUN...*

# More Harry Potter Day!

# All About Books!

## Staff dress up for Harry Potter

We invited all staff to dress up in **'Harry Potter Fashion'** on Friday, 25th March. Prizes were given to the best dressed! Very well done to **Mrs Hunt** from Art, **Mr Weir** from Science, **Mrs Gregg** from Learning Support who got the top 3 places, and a runner up prize to **Mrs Arden** from Pastoral.

## Book Competition

At the beginning of the term we launched a reading competition to earn points for reading books for year 7 and 8. We have two amazing Kindle prizes to give away. The competition will run all throughout the Easter holidays and so far we have many entrants, but the LRC welcome more! Please come and add your name to the fun!

Below are the results of the reading league table before going to print. The winners will be announced in assembly in May.

Year 7		Year 8	
Miriam Zacharow	4	James Ressel	8
Emelia Rushworth	3	Lily Houghton	6
Luca Rosso	3	Maneet Bhari	5
Ana Yiannouzis	2	Miriam Zacharow	4
Kimberley Gore	2	Oscar Field	4

## 'Wordle'

Fancy a game of **'Wordle'**? Then [click here](#) to play. ENJOY!

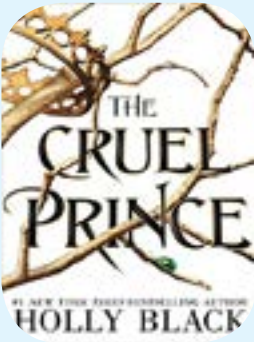

Book Reviews

Every Tuesday lunchtime the **Cover To Cover Book Club** meet, run by **Miss Billingham** and **Miss Gilbert**. This term Lili Houghton has written four book reviews the club has chosen to read.

**The Cruel Prince**  
By **Holly Black**

**Genre:** Fantasy (a bit of romance)  
**Release date:** 2nd January 2018  
**General time to read:** 2-4weeks  
**Chapter length average:** 8/9pages  
**Pages in book:** 400 pages

**Blurb:**  
*Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe.*

Jude was seven when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King.

To win a place at the Court, she must defy him – and face the consequences. As Jude becomes more deeply embroiled in palace intrigues and deceptions, she discovers her own capacity for trickery and bloodshed. But as betrayal threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

**My opinion:**

*I thought this book was going to be a light fantasy book but in the prologue it completely changed my mind. In the beginning I couldn't really get into it but about 50 pages in I really started to enjoy it. I absolutely started to love it and in part two I completely fell in love and knew i was going to read the second book.*

*Out of 10 I'd give it a 8.5.*

**Within These Wicked Walls**  
By **Lauren Blackwood**  
**Genre:** Fantasy/Horror (at the end)  
**Release date:** 19th october 2021  
**General time to read:** 3 weeks  
**Chapter length average:** 9 pages  
**Pages in book:** 336

**Blurb:**

Andromeda is a debtera—an exorcist hired to cleanse households of the Evil Eye. When a handsome young heir named Magnus Rochester reaches out to hire her, Andromeda quickly realizes this is a job like no other, with horrifying manifestations at every turn, and that Magnus is hiding far more than she has been trained for. Death is the most likely outcome if she stays, but leaving Magnus to live out his curse alone isn't an option. Evil may roam the castle's halls, but so does a burning desire.

**My opinion:**

*I think this book is amazing!It was just such a good read! It took me a couple of chapters to get into it but after that I couldn't put it down! It was that good!*

*Out of 10 I'd give it an 11!*

**Lili Houghton - Year 8 (book lover)**

Lili's  
Book Reviews!

**Heartless**  
By **Marissa Meyer**  
**Genre:** Fantasy  
**Release date:** 8th November 2016  
**General time to read:** 4-6 weeks  
**Chapter length average:** 8 pages  
**Pages in book:** 450

**Blurb:**

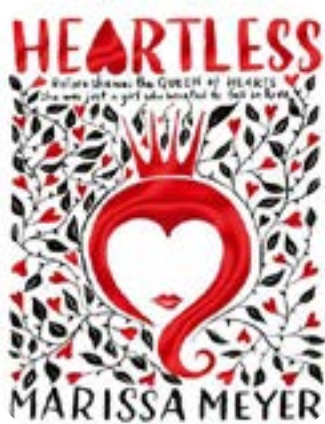

*Long before Alice fell  
Down the rabbit hole...  
And before the roses  
were painted red...  
The Queen of Hearts  
Was just a girl, in love  
For the first time...*

**My opinion:**

*I thought the book was very good and it's just a nice book that takes you on a relaxing journey but can sometimes be quite heartbreaking and scary.*  
*Out of 10 I would give it a 9.5.*

**Setting:** A kingdom called Hearts

**Lili Houghton - Year 8 (book lover)**

**This Poison Heart**  
By **Kalynn Bayron**  
**Genre:**Modern fantasy  
**Released date:**14 June 2021  
**General time to read:**3-4 weeks  
**Average chapter length:**9 pages  
**Pages in book:**370

**Blurb:** Briseis has a gift: she can grow plants from tiny seeds to rich blooms with a single touch.

When Briseis's aunt dies and wills her a dilapidated estate in rural New York, Bri and her parents decide to leave Brooklyn behind for the summer. Hopefully there, surrounded by plants and flowers, Bri will finally learn to control her gift. But their new home is sinister in ways they could never have imagined - it comes with a specific set of instructions, an old-school apothecary, and a walled garden filled with the deadliest

botanicals in the world that can only be entered by those who share Bri's unique family lineage.

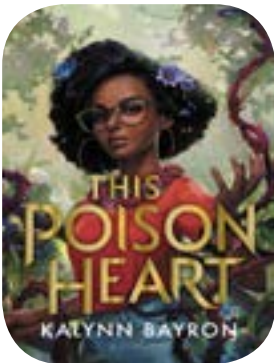

When strangers begin to arrive on their doorstep, asking for tinctures and elixirs, Bri learns she has a surprising talent for creating them. One of the visitors is Marie, a mysterious young woman who Bri befriends, only to find that Marie is keeping dark secrets about the history of the estate and its surrounding community. There is more to Bri's sudden inheritance than she could have imagined, and she is determined to uncover it... until a nefarious group comes after her in search of a rare and dangerous immortality elixir. Up against a centuries - old curse and the deadliest plant on earth, Bri must harness her gift to protect herself and her family.

**My opinion:**

*I thought this book was great except for some parts where it was very slow but there was a lot of information to find out and I hope it will be used in the sequel. There is a very big twist and it was great!*

*Out of 10 I'd give it 8.9.*

**Lili Houghton - Year 8 (book lover)**

# Champion Boxer in Year 8

Congratulations **Simon O'Donnell** on your recent win. CCC are proud to hear your news and **Miss Gilbert** took time out to interview Simon on his recent achievement.

How did you come to be going to America to fight?

*American boxing club (O'Connor Boxing Gym) invited me to come.*

What was this fight and where was it held?

*North Carolina Gloves in Fayetteville, North Carolina.*

How old were you when you started boxing?

*I was 6 years old.*

How did you start?

*My Dad took me to a boxing club and I fell in love with it straight away.*

Do you belong to a club, if so which one?

*Yes, Pinewood Star Boxing Club in Wokingham.*

Is this a potential career, or do you consider this to be a hobby?

*Yes, definitely a career I really love it.*

How many bouts have you won?

*I have had 13 bouts and won 11.*

What is the worst injury you have had?

*A twisted ankle.*

Are you nervous before a fight, what protective gear do you wear?

*Yes sometimes I am, I wear a head guard, gloves, gum shields and hand wraps.*

What does your mum think of you boxing?

*My mum really likes me boxing but she does get really nervous for me before a fight.*

Who are your boxing heroes?

*Mohammed Ali, Tyson Fury, Amir Khan and Billy Joe Saunders.*

# Year 9 Football Team's Massive Win!

Our Year 9 Football team have been taking part in some difficult games, but they have managed to make it to the Bucks County Club final! In the first round they beat Amersham **10-0**, in round two they won **9-0** to Sir Henry Floyd and in the quarter final they beat Walton High **7-1**. They have also won against Kents Hill Park with an end score of **5-2**.

We spoke to the striker and goalkeeper and both agreed that: *"It was a rough game, as Kents Hill park were playing aggressively."* The final is being held at Slough Park FC home ground, which holds 2000 people. They are playing John Hampden Grammar.

Some players especially stood out from the crowd: **Kyros Quarty** as the top goal scorer, **Luke Stevens** as a great midfielder, and **James Dorrington** as a "defensive rock". There were two clean sheets kept by **Bilal Tariq** only conceding three goals in four games. There was great teamwork and game play throughout, we are wishing them the best for the final. They have been excellent ambassadors for our Year Group and school.

**Katy Grange - 9k1**

Since this was written, the Year 9 Boys Football Team became the U14 County champions! After drawing **3-3** with John Hampden Grammar School in the final, the boys went on to win a nail-biting penalty shootout! Well done to everybody on a fantastic cup run. **Congratulations boys!**

# Outside School Super Sport! Activities!

## Multi-School Table Tennis Competition

On 7th April, nine students were selected to attend a multi-school table tennis competition at Beaconsfield High School. The students who attended were split into a 'Plate' and a 'Cup' competition and played a range of students of similar ability from these other schools. They were responsible for organizing who they would play next and communicating well to make sure that their next game happened.

At the end of the competition, **Huzaifa Ashraf** finished in 2nd place in the Cup competition, whilst **Eddie Harris** finished 2nd in the Plate.

The behavior of all of our students was impeccable, with them all taking time to thank the organisers and officials. Those students names are **Huzaifa Ashraf, Eddie Harris, Justin Mackinlay, Harrison McNally, Liam Smith, Freddie Thompson, James Turkington, Mason Walker** and **Jake Wilson**.

*"I really enjoyed playing in the tennis tournament. It was challenging but such fun playing against other schools."* - **Harrison McNally**

*"Table Tennis was great fun and competitive!"* - **Freddie Thompson**

*"It was such good fun and I'm glad that I was invited. Also I came 2nd in the overall tournament."* - **Huzaifa Ashraf**

*"I had a really great day and thought everybody played well."* - **Eddie Harris**

## Ninja Warrior Rewards Trip

We took 120 amazing Year 7-10 students to **Ninja**

**Warrior** for the End of Term Rewards Trip. Our students were phenomenal and enjoyed the challenges that were thrown at them, literally. The students were a credit to our school. The end of Year Rewards Trip will be to **The Wave** (Year 7), **Liquid Leisure** (Year 8-10) and Prom (Year 11).

**Mr Howard - Head of Year 10**

## Geography Trip to the Living Rainforest

Year 9 had a wonderful time playing on the swings at the **Living Rainforest** on their Geography field-trip on Thursday 31st March and Friday 1st April. 250 students took part and they learned an awful lot about the rainforest as well. Thanks to Ms. Evans for leading both trips and to the twelve staff who assisted on both days. Thanks also to **Ms. MacKeith** for her usual brilliant administration.

## Environmental Club

A huge effort from the Environmental Club on Wednesday 23rd March.

We managed to get the new wild pond dug and lined. The liner was supplied by **Iver Environmental Centre** but it was the students who did all the hard work under the guidance of **Mr. Weir**. The Chalfonts Leisure Centre donated spare sand to line the base under the pond and to provide a habitat for local wildlife and insects. Wildlife ponds are informal and natural and are filled only by the rain. We still need to do a bit of tidying up and we'll need some plants to areate and clean it once it is full. The next stage is to introduce some frogspawn and take Environmental Science and Geography outdoors.

We are also looking for student proof garden seating and garden ornaments for the new sensory garden. Families or staff might like to donate a bench as a memorial to their child's time in Chalfonts or for a family member who has passed on.

**Mr Weir – Teacher of Science**

# Pond Life!

## New Fish, New Home

This term The Chalfonts Community College has adopted some new Goldfish for our pond in Year 7. These fish were rescued from a pond from a Chalfont St Peter resident who has sadly passed away, and the family asked if we could take care of them.

They have settled into their new environment extremely well.

**Mrs Dancer - Reprographics Manager and Caretaker of the Pond**

## International Women's Day

On Tuesday March 8th 2022, the world celebrated **International Women's Day**. Chalfonts celebrated this day by participating in **Question Time** with the **House of Lords**.

On the panel were **Baroness Grey-Thompson**, **Baroness Newlove** and **Baroness McIntosh** of Hudnall, all currently serving in the House of Lords. They spoke up about what it was like getting to where they were now, and then later answered questions sent in by schools across the UK.

CCC even had a question that had been answered: *"Is it important for a full representation of society to be reflected in our parliament?"*

The panel's response was **"it is so important for us all to feel represented in the people who are elected to represent us. There is much being done to give a voice to women in the house of commons. It brings new opinions and an understanding from different backgrounds and it gives power to the issues that people are facing from someone who has experience with those issues."**

During the presentation they spoke on how their experience

of getting into politics as a woman. Their answers were different yet the same with facing difficulty with finding proper childcare, ableism, and being some of the first baronesses in the House of Lords.

We benefited from this day by seeing that there are strong women in these industries dominated by men. We saw that if you are disabled that you can do things like sports and get into politics. We saw how the 'women's role' has changed in society and allowed us to see that we are moving towards a more equal world.

It is so important to have an **International Women's Day**, so that not only young girls, but everybody can see that we are moving towards equality for all.

**Delilah Arthur - 9G4**

# Future Business!

## Young Enterprise

Four of the eleven, Year 12 Young Enterprise students took part in their first judged event in High Wycombe on 20th March. They did brilliantly and their stall and products looked very professional. They made a profit of **£105** at the event from sales.

Their next big event is the Chilterns area judged event in which they will have their stalls judged and will be presenting to a panel of judges and all the other teams. We are honoured to be hosting the Chiltern event at The Chalfonts Community College. Schools such as Dr Challoner's Grammar school and High School, Chesham Grammar and Beaconsfield High School will be attending.

The company have expanded their product range and they sell wax melts, large candles, regular aromatherapy candles and small tin candles. They also sell gift boxes and you can pick and choose which scents you would like in them. The gift boxes include two bags of wax melts (this can be changed for a regular candle if needed to), a regular candle and a tin candle. We also do a service where you can bring back the jar once you have finished the candle and we can refill it with your desired scent for a smaller price. Scents that are sold are: lemongrass and bergamot, lavender rose, neroli and sweet orange and bergamot (only wax melts). If you are interested in supporting our Young Enterprise team please contact the team on **Instagram: @minds.scents** or Email: **veerkudhail16@chalfonts.net** to make a purchase.

**Mrs Flisher - Subject Leader for Business Studies**

Art Exhibition

Well done to the talented year 12 and 13 Art students who put on an exhibition of their amazing oil paintings at **the Hub** in Chalfont St Peter. **The Arts Society Chiltern** has been supporting the Art Department for several years and this year supplied canvasses, oil paints and brushes. The students produced paintings around the themes of ‘Growth and Decay’ or ‘Symbolism’ interpreted in their own way. Also included were these two fantastic portrait paintings by students in year 10 and 11.

Year 9 Pop Art Sunflowers

Year 9 Art students have been studying Andy Warhol, a leading figure in the Pop Art movement. They used his vivid flower prints as inspiration to make bright yellow and blue sunflowers to display on 29th March to show support for the Ukraine. Students used traditional drawing followed by digital painting to create these artworks. The sunflower has been Ukraine's national flower since 1700, but it has swiftly become a worldwide symbol of solidarity for the country and its people since the Russian invasion began.

National Apprenticeship Show

On 1st March, we took a large group of our Year 12 and 13 students to the National Apprenticeship Show at Sandown Park in Surrey. It was great to be back at this event and face to face with employers again. There were so many organisations represented and industries including Finance, Consultancy, Hair & Beauty, Hospitality, NHS, Engineering, Media, Entertainment, Armed Forces and many more. It was so good to see our students interacting with employers, asking lots of questions and participating in the many activities set up for us. We surveyed our students after the event and we were delighted to say that 100% of the students who completed the survey said they enjoyed the show and 92% said they would recommend the trip to others.

This is what some of the Sixth Formers said:

*“I learnt about the vast choices of apprenticeships/universities and the details about them”*

*“How degree apprenticeships work and what grades are needed”*

*“The application process of apprenticeships and the benefits compared to university”*

Amazing Art!

Careers Hub!

Bucks Skills Show

On 10th March we took a coach of our Year 10 students to the Bucks Skills Show, which was being held at the Westcott Venture Park in Aylesbury. This is Buckinghamshire's largest skills and careers event helping young people explore future careers and work out how to get where they want to go. There were over 120 businesses and organisations in attendance across industries such as: Creative industries, digital technology, hospitality and travel, health and social care, engineering and many more.

Our students had the chance to talk to employers about future careers and the routes they need to consider to achieve their goals. There was a digger that students were able to drive, a robotic dog and live music. It is the first time we had attended this event and we had some really positive feedback from students; mostly saying that they would have liked more time.

Students said that the day had been very inspiring and a few of them agreed that it has supported them in choosing a possible career or further education route.

## Sixth Formers deliver ‘World of Work’ Programme

As part of their personal development opportunities, a team of our Sixth Form students have volunteered to deliver ‘**World of Work**’ sessions to our Year 7 and Year 8 students. For the Year 7 sessions, the Sixth Formers carried out an activity to help raise awareness of different roles and facilitate an activity, highlighting the importance of Qualifications, Skills, Work Experience and a Positive Attitude. Part two of this programme will be the introduction of skills which we will be delivering in Tutor time after Easter.

For the Year 8 students, we will be introducing **Career Trump cards** and encouraging them to think about what might be important to them in a career.

Thank you to **Alfie Barker, Erin Nijhuis, Nimrit Garayal, Simreet Malham, Lydia Alty, Kai Hughes, Rosie Butler** and **Tia Banger**. They have been amazing role models for our younger students so far!

## Chalfonts Success Stories

Name: Beth Bowers  
Job title: Global PR apprentice for Dove

**What is your current role and who do you work for now?**

*I work within the Dove Global PR team whilst undertaking a Project Management diploma with “Multiverse” the provider. Dove is a brand under Unilever which is the organisation I work for.*

**Tell us a bit about your job**

*Working for Dove is amazing, I get to travel to into London twice a week (the other three days I work from home) I work 9am-5pm but sometimes I get to attend fun events hosted by clients Dove has, for example last week I attended a Metaverse event by Halpern a local*

*PR company where I met influencers and Metaverse experts! The other offices nearby are Leatherhead and Kingston which I have also visited (Kingston has free ice cream which is a real perk). My usual office is 100 Victoria Embankment, a beautiful building near the London eye which has a breathtaking view and a Unilever shop to buy all my Dove goodies :).The office is a great environment to learn from the experts in the field I’m training in, understanding corporate culture and etiquette is a life skill everyone needs!! On a day to day basis I’m working with foreign clients to create Dove imagery, press releases and great content to share around the world. Just recently we launched the project #Reverse selfie which you can find in the advert breaks or youtube!!*

**(Interview continues below...)**

# More Careers!

## Careers Information and Opportunities

Within Careers, we have been looking at the ways we communicate careers information and opportunities internally to students and externally, to our parents. It is so important that we keep reviewing what we are doing to ensure we use are using the most appropriate channels of communication. As a result of this, we have been working on two areas; firstly our **Careers Hub** on the school website and secondly, the introduction of a **vacancy board** in the **Sixth Form Study Centre**.

The **Careers Hub** has a lot of information and has been split into various subject areas:

- Apprenticeship Opportunities
- Insight events, webinars, taster days
- Careers Newsletters
- Local Market Information
- Volunteering opportunities
- College open days

We are updating this on a daily basis so please do keep

looking as there might be information or events which help inspire your children.

We have set up a **vacancy board** as a trial in the **Study Centre** and are putting up any apprenticeship vacancies we receive. It has been full over the last few weeks with companies such as **Mars, Martin Baker, the Police, BT, Vodafone** and **Dyson**; all advertising amazing opportunities. We love to see the students looking over the information.

We hope these two routes of communication will be successful and we will be tweaking things along the way.

# Chalfonts Alumni

**(...Interview continued)**

**What did you study at The Chalfonts Community College and what is the best route to get into what you are doing?**

*I completed 10 GCSE’S and went on to study English, PE and Business A Level and my Business A Level helped massively applying for Project management as I had lots to put on my CV, however whatever you study can lead you onto an apprenticeship with Unilever.*

**What inspired you about doing this role? When did you decide to take this career?**

*Unilever puts purpose to every product they launch, which could mean saving the planet or helping young girls build their self-esteem - this is what drew me to Unilever as they don’t just make products they make a change too. After going to Mrs Sanders and the amazing careers team in the LRC I had many apprenticeship doors open to me and often you will know which one interests you by researching more about the company!*

**What tips would you give to students about their future careers?**

*Never stop trying! Especially when applying to apprenticeships there’s thousands available, I was turned down from several before securing my role. Make your successes (big or small) stand out on your CV don’t think that because it was a small achievement you can’t put what you learnt from it and how you grew after that. Most importantly do what you’re passionate about because if you’re doing that the hard work will always seem worth it!*

## Year 7 and 8 Times Tables Rock Stars

Since January, Year 7 and 8 students have been battling it out in the Time Tables Rock stars competition that has been running all term.

Congratulations go to Year 7 who came out on top as the ultimate victors. 7G2 topped the table with a massive **92,203** points followed by 7K3 (**21,888 points**) in 2nd place and just behind were 7K3 (**21,887 points**). I would like to say well done to **Carlos Mihai**, **Olivia Cole** and **Mujbata Bhatti** as the lead scorers.

Well done to all students who took part in the competition which I will be running again next term.

Mr Modha - Teacher of Maths

# Magic Maths!

## Promoting a love of problem solving

In February, students in Years 9 - 11 competed in the 2022 **UKMT Intermediate Maths Challenge**.

The Maths Challenge is a national competition that encourages mathematical reasoning, precision of thought and fluency in using basic mathematical techniques to solve interesting problems. Although it is a multiple-choice test, it is very, very tough!

Over 200,000 of the most able maths students from more than 3000 schools and colleges across the UK participated in the IMC. Only the highest scorers are awarded certificates and this this year we had two students that secured Gold.

Pupils at Chalfonts Community achieved **2 Gold**, **3 Silver** and **16 Bronze** certificates in this year's challenge which is fantastic. Furthermore, due to their extraordinary performance, **Srija (Y11, Gold)** and **Kyros (Y9, Gold)** were invited to take part in the follow up round called the **Pink** and **Grey kangaroo** and they both qualified in that too, which is a Chalfont's first so well done to both of them.

If you would like to know more about the Maths Challenge, please [click here](#).

Mr Vahora - Assistant Head

**CCC has TALENT**

**SHOW DATE: FRIDAY 8TH APRIL 2022**

tickets can be brought on parent pay

Come and celebrate the amazing talent we have at  
The Chalfonts Community College and raise money  
for The Performing Arts Departments

**AT 7:30PM IN THE HALL**

on the night of the performance you won't want to  
miss out on our raffle and refreshments

Tickets will cost: **£5.00**
