

SIXTH FORM SUPPORT

**WORKING IN
PARTNERSHIP
WITH SCHOOLS**

At Strodes and Windsor we are keen to support both students and staff at our key feeder schools, in helping them to prepare for education beyond year 11.

We are excited to be able to offer the following:

For Students - Creating Your Future

Career based workshops

- Bespoke taster sessions from subject specialists, for example in Philosophy, Classics, and TV and Film

Stretch and Challenge

- Post mock Inspire to Aspire sessions

Student exchanges

- Developing student links to benefit both A Level and GCSE students, for example A Level French students to practice speaking exams with GCSE students

Transition from school to college

- Our dedicated student services and careers team can deliver sessions on what students can expect from college life and what support will be available to them

For Parents - How To Support

Year 10 and 11 parents information evenings on how to best support students through their GCSE's and how to prepare for college

For Staff Building - Curriculum Links

Starter Kits

- For niche Level 3 courses, e.g. Criminology
- A member of our curriculum staff to teach a short lesson for Year 11

Staff exchanges

- The opportunity to shadow members of our curriculum team and gain experience in teaching in a post-16 education setting

Twilight Sessions

- Updates on Level 3 programmes
- How to prepare students for progression beyond Year 11
