Dear Parents and Carers,

This week has seen the conclusion of our GCSE and A Level examinations, much to the relief of our hard-working Year 11 and Year 13 students. This has been the first series of public examinations for two years. Students are to be commended for the way in which they have conducted themselves throughout the exam period. A special thank you to the exams team, the staff who have supported students throughout their exams and their teachers.

Year 11 had a wonderful send off today in their leavers assembly. It was a particular highlight seeing all their Year 7 photos on screen! I am looking forward to seeing them, all dressed up, at their Prom this evening.

### **The school week**

The structure of the school week has been carefully reviewed along with the structure of the school day. I am pleased to inform you that from the start of next term the school day will return to five lessons per day of one hour each. The school day will remain the same as this year and Wednesday will return to a full school day.

Many of you may be visiting the Chalfont St Peter Feast Day on Saturday, please visit The Chalfonts Community College stalls, where there will be a chocolate tombola run by PaSTA (The Parent and Student, Teacher Association) and a student and staff run stall with games and prizes to be won. Thank you for all your generous donations to this event to raise money to benefit our students.

I hope you all have a pleasant weekend ahead.

Yours faithfully
