Members are the custodians of the governance of the trust. The original members were the signatories to the memorandum of association when the trust was set up and selected by the governing body which agreed the trust's first articles of association. Subsequent Members are appointed by Special Resolution of existing Members.

***Role and Responsibilities:***

- receive and adopt the annual report and accounts from the board of trustees;
- provide oversight of governance arrangements;
- ensure the academy trust's charitable objective is being met;
- maintain an overview of the effectiveness of the trust structure;
- hold the board to account for the improved progress and outcomes for the pupils;  
and
- have the power to appoint and remove trustees.
