

## Chalfonts Community College Register of Interests

The Chalfonts Community College is committed to ensuring that all Governors and Members understand and comply with their statutory and moral duties to avoid conflicts of interest, not to accept benefits from third parties, and to declare interests in proposed transactions or arrangements.

No Governor, Member, employee or related individual or organisation uses their connection to The Chalfonts Community College for personal gain, including payment under terms that are preferential to those that would be offered to an individual or organisation with no connection to the school.

To ensure that the highest level of standards are maintained, all Governors and Members complete a pecuniary interest declaration that is included in the school's register of interests which is published here for public inspection.
