Statement of Intent

Educational achievement and subsequent life chances for Looked after Child (CLA) and Previously Child Looked After (PCLA) are of the utmost importance. Students who are looked after require additional support and attention in order to improve their situation.

At **The Chalfonts Community College (CCC)** we will create an environment where Child Looked After (CLA) and Previously Child Looked After (PCLA) have access to excellent educational provision and are prioritised for additional support through school-based interventions, in accordance with the '**DfE Designated Teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children**' 28th February 2018.

[Designated-teacher-for-looked-after-children](#)

We recognise that our school plays a vital role in providing a stable base for CLA and PCLA and in promoting their academic, social and emotional development. We promote staff training in their specific needs, so that all adults are sensitive to the barriers to learning that CLA and PCLA experience and feel able to support the children discretely and confidentially, as needs arise.

Our school community aims to champion the needs of CLA and PCLA to ensure they make rapid progress.

CCC endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our students. With this in mind, we aim to:

- Encourage students to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that students enjoy high quality teaching and a curriculum, which meets their needs and the requirements of legislation.
- Plan support for CLA realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help students develop their cultural, moral and social understanding.

- understanding for PCLA, the importance of involving the child's parents or guardians in decisions affecting their child's education and be a contact for parents or guardians who want advice or have concerns about their child's progress at school.

4. Personal Education Plan (PEP)

- 4.1. All CLA must have a care plan; PEPs are an integral part of this care plan.
- 4.2. The PEP is an evolving record of what needs to happen for a student to enable them to make the expected progress and fulfil their potential.
- 4.3. The school will ensure that every CLA on roll has a PEP meeting that is reviewed termly, within the statutory care planning framework, and in collaboration with the social worker, carer and other relevant professionals.
- 4.4. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.
- 4.5. The school with other professionals (Social Worker, and Virtual School Officer and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.
- 4.6. All relevant bodies, such as the LA, the Designated Teacher and carers, will involve the child in the PEP process at all stages.
- 4.7. The PEP will address the student's full range of education and development needs, including:
 - On-going catch-up support, which will be made available for children who have fallen behind with work.
 - Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.

- Transitional support where needed, such as if a child is moving to a new school.
 - School attendance and behaviour support, where appropriate.
 - Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focuses on the child's strengths, capabilities and the outcomes they want to achieve.
 - Out-of-school hours learning activities, study support and leisure interests.
- 4.8. The VSH and the Designated Teacher will ensure that information is included within a CLA or PCLA's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment.
- 4.9. Any interventions supported by PP+ will be evidence-based and in the best interests of the student.

5. Working with Agencies and the VSH

- 5.1. The school will ensure that copies of all relevant reports are forwarded to the CLA social workers, in addition to carers or residential social workers.
- 5.2. The school will coordinate their review meetings; for example, hold their annual review of CLA with their statutory care review.
- 5.3. The school will work with other agencies to exchange information, such as changes in circumstances, exclusions, or attendance issues, taking prompt action, where necessary, to safeguard CLA and PCLA.
- 5.4. Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.
- 5.5. The Designated Teacher for CLA and PCLA will communicate with the VSH and child's social worker to facilitate the completion of the PEP.
- 5.6. Through the Designated Teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay.
- 5.7. The Designated Teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.
- 5.8. PP+ for PCLA will be allocated directly to, and managed by, the school.

- 5.9. The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of CLA, or PCLA, and according to their needs.
- 5.10. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.
- 5.11. The Designated Teacher will ensure consistent and strong communication with the VSH regarding CLA who are absent without authorisation.
- 5.12. The school will share their expertise on what works in supporting the education of CLA and PCLA.

6. Training

- 6.1. The Designated Teacher and other school staff involved in the education of CLA and PCLA should have received the appropriate training, this includes information about the following:
 - School admissions arrangements
 - SEND
 - Attendance
 - Exclusions
 - Homework
 - GCSE options
 - Managing and challenging behaviour
 - Promoting positive educational and recreational activities
 - Supporting students to be aspirational for their future education, training and employment
 - Safeguarding

All training will ensure staff are equipped with the skills, knowledge and understanding necessary to keep CLA and PCLA safe.

7. Safeguarding

- 7.1. The school recognises that many CLA or PCLA have experienced trauma, abuse or complex family circumstances that have led to them being placed in care, and will ensure that all staff are aware that experiences of adversity such as these can leave students vulnerable to further harm or exploitation.
- 7.2. All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst CLA and PCLA as soon as possible.

- 7.3. Where a CLA or PCLA has a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence or missing education where there are known safeguarding risks.
- 7.4. The Principal will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of CLA and PCLA can be adequately protected to the extent that reflects their increased vulnerability.
- 7.5. Staff will be encouraged to report to the DSL any concerns they have over CLA or PCLA in line with the processes outlined in the Child Protection and Safeguarding Policy.
- 7.6. Staff will be regularly encouraged to look for signs of bullying and report to the Designated Teacher if they believe a CLA or PCLA is being bullied, as this can have a particularly negative impact on students who have early experiences of rejection or abandonment.

8. Student Mental Health

- 8.1. CLA and PCLA are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated Teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.
- 8.2. The Designated Teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on CLA and PCLA, and knows how to access further assessment and support, where necessary.
- 8.3. The school understands that the increased frequency of mental health problems amongst CLA and PCLA may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the Designated Teacher will ensure that they, and all staff who maintain regular contact with CLA or PCLA are vigilant surrounding any changes in the mental health, behaviour, social inclination or mood of these students.
- 8.4. A strengths and difficulties questionnaire may well be used on a termly and or annual basis (depending upon which LA the Young Person is with) to help social workers and other relevant professionals to form a view about CLA and PCLA's current emotional wellbeing. Teachers will complete their element of the questionnaire to assist social workers in their assessment.
- 8.5. The school's Designated Senior Mental Health Lead will promote the wellbeing and mental health of CLAs and PCLA, and will always either be a member of, or be supported by the senior leadership team and could be the pastoral lead, SENCO or DSL.

9. Exclusions

- 9.1. Past experiences of CLA and PCLA will be considered when designing and implementing the school's behaviour for learning policy.
- 9.2. The school will have regard to the DfE's statutory guidance 'Exclusions from maintained schools, academies and student referral units in England' and, as far as possible, avoid excluding any CLA. <https://www.gov.uk/government/publications/school-exclusion>
- 9.3. Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.
- 9.4. As far as possible, the school will engage proactively with the social worker or carer of a CLA to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.
- 9.5. Exclusion will only be used as a last resort, after the school and VSH have considered what additional support can be provided to prevent exclusion, and any additional arrangements to support the student's education in the event of exclusion.
- 9.6. The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.
- 9.7. Permanent exclusion will only occur where there has been serious and/or persistent breaches of the school's Behaviour policy or where allowing the student to remain in school would seriously harm the education or welfare of others.

10. Students with SEND

- 10.1. Support for CLA with SEND, who do not need an EHCP, will be covered as part of the student's PEP and care plan reviews.
- 10.2. The SENCO, class teacher, Designated Teacher and specialists will involve parents when considering interventions to support their child's progress.
- 10.3. If appropriate, the VSH will be invited to comment on proposed SEND provision for PCLA.
- 10.4. The Designated Teacher and the SENCO will ensure that CLA and PCLA with SEND are supported in line with the SEND Policy, with extra consideration given to the fact that some of the usual procedures for supporting students with SEND may lack applicability for CLA, e.g. where CLA are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.

11. Information Sharing

- 11.1. Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of CLA and PCLA are understood and met.
- 11.2. The arrangements set out include:
- Who has access to information on CLA and previously CLA and how data will remain secure.
 - How students and parents are informed of, and allowed to challenge, information that is kept about them.
 - How carers contribute to and receive information.
 - Mechanisms for sharing information between the school and relevant LA departments.
 - How relevant information about individual students is passed between authorities, departments and the school when students move.

12. Monitoring and Review

- 12.1. This policy will be reviewed on an annual basis by the Designated Teacher and the Principal.
- 12.2. The next scheduled review date for this policy is July 2024.
